Abhinav Engineering Works

<http://www.abhinavengineeringworks.com/>

We are a reckoned organization involved in providing an extensive array of Chemical Dosing and Agriculture Water Pump. Some of our offered products are Dosing Pumps, Chemical Dosing Pump and Positive Displacement Pump etc.

About Us

Established in the year **1996**, **Abhinav Engineering Works** is amongst the reputed organizations indulged in manufacturing, supplying and service providing a world-class collection of Chemical Dosing and Agriculture Water Pump. Some of our offered products are Dosing Pumps, Chemical Dosing Pump and Positive Displacement Pump. Manufactured making uses of best grade raw material and highly sophisticated tools and technology, these offered products are in tune with the industry set norms and quality guidelines.

known for their uses in various industries, these offered products are highly demanded. We do not compromise on the quality of the products and our main priority is to meet the clients' demands and not just to earn profit. We work on simple principle of hard work and to offer those products to our clients' which are very effective and highly durable. We help our customers by providing bulk order requirements to them within the predetermined time frame. Our specialty is sophisticated testing arrangement in every step of manufacturing. We provide after sales service and prompt supply of spares to our customers.

We have set up our base in this industry under the stern guidance and leadership skills of **Mr. Abhijeet Dagade** who have experience in process industries. Their active participation in the business has assisted us in taking our company towards newer heights and success.

DOSING PUMPS

Hydraulic Actuated Diaphragm Pumps

Industrial Metering & Dosing Pumps

Multi Head Dosing Pump

Plunger Type Dosing Pumps

CHEMICAL DOSING PUMP

Chemical Dosing Pump

Diaphragm Type Dosing Pump

Skid Mounted Dosing System

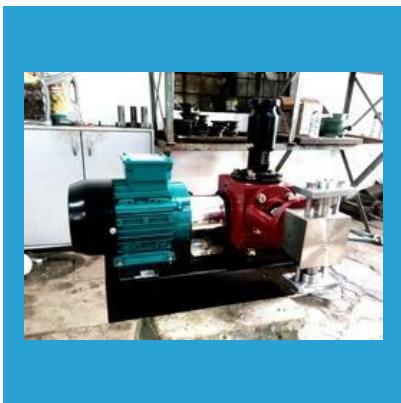

DIAPHRAGM METERING PUMPS

Dosing Diaphragm Pump

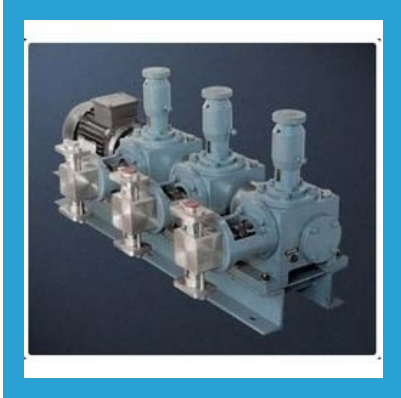

Chemical Metering Pump

Industrial Metering Pump

OTHER PRODUCTS:

Triple Headed Dosing Pump

Pulsation Dampener

Agitator

Chemical Agitator

OTHER PRODUCTS:

Polyelectrolyte Dosing System

Plunger Dosing Pump

Diaphragm Dosing Pump

Dosing Pump Spare Parts

Factsheet

Year of Establishment	:	1996
Nature of Business	:	Manufacturer
Total Number of Employees	:	11 to 25 People
Major Markets	:	Indian Subcontinent
